REMARKS

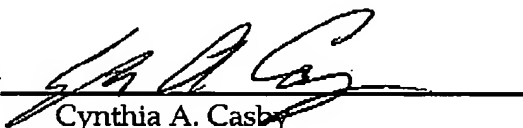

Claims 2-35 are pending in the present patent application. To avoid possible confusion over claim numbering in this application, Applicant hereby withdraws pending claims 2-35 without prejudice and resubmits them as renumbered claims 36-69. Applicant submits that renumbered claims 36-69 are fully supported by the specification, figures and claims as originally filed, and that no new matter has been introduced. Applicant respectfully requests examination and consideration of renumbered claims 36-69.

Respectfully submitted,

THE HECKER LAW GROUP
